### **MEMORANDUM**

TO: Library Board of Trustees

FROM: Darryl Eschete, Library Director

DATE: December 18, 2025

**SUBJECT:** Library Card Eligibility Policy Updates

Find enclosed updates to the Library Card Eligibility Policy to keep our practices current and to make our card registration process more secure.

### 1. Recognition of 16 Year Old Account Holders

State law gives 16-year-olds nearly the same rights as adults when it comes to managing library accounts. The proposed change simply reflects that reality, helping us stay aligned with the law while supporting fair access for older teens.

### 2. Strengthening ID Requirements at Registration

Right now, applicants only need to show proof of address. Documents like mailed correspondence can be obtained improperly, so proof of address alone doesn't always confirm identity. To better protect patrons and the library, the updated policy would require two things: (a) proof of address and (b) some form of photo ID.

As we currently do for people who can't provide proof of address, we will continue to offer alternative options for those who don't have photo ID, ensuring the policy stays both secure and accessible. Most adults already present a photo ID with their address when they sign up, so we don't expect this change to be a significant barrier for new users.

Respectfully Submitted,

Darryl Eschete

### **Library Card Eligibility**

To be issued a library card a person must be physically present and provide adequate identification.

The library will make exceptions to the physically-present rule for:

- 1. Children whose parents present the registration form given to them in the hospital read-aloud packet or who come in and fill out a registration form for their child. The requesting parent must present adequate identification.
- 2. Persons physically unable to come to a library outlet who send another to get a library card for them. The person representing the disabled person must have their own identification. The card will be mailed to the card holder along with information about the library's home-bound program.
- 3. Students who are absent from a classroom visit whose teacher brings along a completed application form. The student's card will be mailed to the student's home address.

The library reserves the right to determine the library privileges each borrower will receive and reserves the right to limit such privileges.

Oshkosh Public Library provides equal opportunity for services without regard to race, color, sex, age, religion, national origin, marital status, sexual orientation, or mental or physical handicap.

### **MEMORANDUM**

**TO:** Library Board of Trustees

FROM: Darryl Eschete, Library Director

DATE: December 18, 2025

**SUBJECT:** Changes to Printing and Other Fees

I am requesting approval to update the library's printing fee schedule to better reflect current supply and maintenance costs. The recommended adjustments are:

- Black & White prints: increase from \$0.10 to \$0.20 per page
- Color prints: increase from \$0.25 to \$0.40 per page

These prices have not been adjusted in many years, despite rising costs for paper, toner, parts, and service contracts. The proposed fees remain modest, help offset operating expenses, and continue to fall well below commercial print rates in the community.

Some other increases I propose:

• Flash Drives: increase from \$1.00 to \$2.50 for small; increase from \$2.50 to \$4.50 for large

I am also proposing doing away with the \$2.00 fee for faxing, as our plan is to make faxing self-directed and the machine accessible to the public.

If approved, the updated rates will take effect **January 1, 2026**, with notice shared through signage and the library's website.

Respectfully submitted,

Darryl Eschete

### Fines and Fees

### **Fines**

- a. Items checked out from the Oshkosh Public Library are exempt from overdue fines, with the exception of Interlibrary Loan and hotspots, regardless of where the items are returned.
- b. Items borrowed from libraries outside of the Winnefox Library System via the Interlibrary Loan service, which are checked out from the Oshkosh Public Library, will be charged overdue fines at the daily rate of \$1.00 per day per / per item. The maximum fine per item is \$10.
- C. Hotspots will be charged overdue fines at the daily rate of \$1.00 per day per/per item. The maximum fine per item is \$10.
- **d.** Experience Passes will be charged overdue fines at the daily rate of \$1.00 per day per item. The maximum fine per item is \$30.
- e. Items checked out from another library within the Winnefox Library System and returned to the Oshkosh Public Library will be assessed fines according to the fine/ fee policy of the library from which the item was checked out.
- f. The library will not charge fines for days when it is closed.
- g. Fines will begin the first day the item is overdue. There is no grace period.
- h. Patrons are allowed to check out material, access some online resources until their total accumulation of fines or fees reaches \$25. When this amount is exceeded, the patron must reduce the fine to below \$25 before additional material may be checked out.

### Overdue Notices and Billing

Customers receive at least one overdue notification. A bill for the replacement of unreturned items is sent at 30 days. Accounts 45 days past due are referred to a collection agency. The schedule for e-mail notices is different from mailed paper notices and phone calls.

### Lost Materials Fees

Patrons are responsible for all material checked out on their library card before the card is reported lost or stolen.

In the event of lost or damaged materials, library users will be assessed the actual price as assigned in the lost-item record. If no price information is assigned, library users will be charged standard replacement prices for library items that are lost or damaged beyond repair.

Authorized staff may make exceptions for material that is significantly differently priced than the standard replacement charge prices. Library staff will check reputable sources for prices.

In lieu of paying the standard replacement price, a patron may replace a lost item with a new exact edition copy of the lost item.

Payments will be refunded up to one year after the item is paid for, if the item is located by the borrower and returned to the library or is located by the library and the borrower can be contacted.

Billing practices of libraries loaning materials to Oshkosh Public Library patrons may vary.

### **Standard Charges for Damages**

In the event of minor damage, no fee will be assessed. If the damage is severe and/or requires pieces or accessories to be replaced, the actual replacement cost will be charged.

### **MEMORANDUM**

TO: Oshkosh Public Library Board of Trustees

FROM: Darryl Eschete, Library Director

DATE: December 18, 2025

SUBJECT: 2026 Endowment Requests—Round One

I am requesting the Board's approval to use endowment funds for a set of investments that directly advance the Strategic Directions in our current Strategic Plan. The items below are organized by theme; each is designed to move us measurably closer to the outcomes identified in the plan. Specific dollar amounts are shown in the attached spreadsheet; this memo focuses on the strategic rationale.

### 1. Collection Improvement

OverDrive eBooks and eAudiobooks—Advantage Account: The creation of an OverDrive Advantage account expands access to high-demand titles, reduces wait times, and improves the patron experience for Oshkosh users. This supports patrons who cannot easily visit the building and advances goals related to equitable access, literacy, and lifelong learning.

### 2. Technology Enhancements

<u>Charging stations for patron devices</u>: Strengthen the library as a daily-use hub where people work, learn, and connect; reduce barriers for patrons reliant on mobile devices.

<u>Exterior digital signage</u>: Improves communication about programs, hours, and services, increasing community awareness and engagement.

<u>Interactive screen for meeting room</u>: Enhances functionality for community groups, educators, city partners, and program presenters.

<u>Permanent headphones for public PCs</u>: Improves the experience for job seekers, students, and learners using video-based content or interviews. <u>Digital wayfinding kiosk</u>: Makes the building easier to navigate for new or infrequent users and frees staff time for higher-value service.

<u>Printer/copiers for Youth and Adult Services</u>: Ensures reliable access to essential services for job seekers, students, families, and general users.

### 3. Facility Improvements

<u>Architectural consultant fees for facility use planning</u>: Aligns long-term space decisions with Strategic Directions and community needs.

Young Adult area improvements: Creates an inviting, age-appropriate space that supports belonging and youth engagement.

<u>Soft modular furniture for Youth Services</u>: Allows flexible use of space for play, early literacy, and informal learning.

<u>Baby/toddler play center in Youth Services:</u> Supports early childhood development, early literacy, and family engagement.

Rolling tables for patron setup: Provide flexible furnishings that support study, collaboration, programs, and events.

### 4. Library Development (Staff and Organizational Capacity)

<u>John V. Nichols Professional Library Education Scholarship</u>: Supports the development of future library professionals and strengthens organizational excellence.

<u>Staff conference attendance supplement</u>: Ensures staff can bring back best practices that advance all Strategic Directions.

<u>20 hrs/week paid summer internships (Young Adult/Youth Services):</u> Builds programming capacity and supports workforce development for emerging professionals.

<u>Sponsor Literacy Council Spelling Bee team</u>: Deepens a key literacy partnership and reinforces staff community engagement.

<u>Staff In-Service Training Day</u>: Provides time for staff development, customer service training, safety, and alignment with Strategic Directions.

<u>Wisconsin City Library Collaborative</u>: Strengthens relationships with peer libraries, improving shared learning, innovation, and coordinated advocacy.

### 5. Programming and Community Engagement

Freedom to Read program support (September 2026): Funds events and education that promote intellectual freedom, media literacy, and civil dialogue. Reading Challenge prizes (books for Adults, Elementary, Tweens, Teens): Sustain engagement in reading and reinforce the library's mission.

Book club books (Elementary, Tweens, Teens, Young Adults): Remove cost barriers for families and schools and support shared reading experiences.

### **給PL**

<u>Programming support</u>: Provides flexible funds to pilot new offerings and respond quickly to emerging community needs.

<u>Lakefly Writer's Conference 2026:</u> Sustains a signature regional literary event that centers the library while promoting local arts, culture, and the writing community.

Taken together, these endowment-funded investments are a coordinated set of actions that move us forward on our Strategic Directions: strengthening collections and access, modernizing technology and spaces, investing in staff and organizational capacity, and deepening programs and partnerships that matter to our community. I respectfully request the Board's approval of these endowment allocations as outlined in the attached detail.

Respectfully submitted,

Darryl Eschete

### Oshkosh Public Library Highlights December 2025

- 1. Competition was fierce but friendly when teams gathered at the library for our PuzzleRama event on Nov. 15. Only one group completed the 1,000-piece puzzle (just shy of the 4-hour limit), but everyone enjoyed the journey and the time spent together. Participants were able to take home their puzzle a special commemorative edition featuring a picture of the library!
- 2. As "best of the year" book lists poured in from all corners of the reading world, OPL staff weighed in with their Great Reads of 2025. The list was unveiled at Evergreen, where 60 people listened as OPL librarians Sarah Read and Michael McArthur presented the titles from throughout the year that had staff talking. On Dec. 12 the annual Great Reads video debuted on our YouTube channel. You can also find a full rundown of titles to fill your TBR list on our website.
- 3. The vibe was warm, cozy and creative when 23 kids made Winter Cricut Crafts at the library on Dec. 8. Participants designed hot press mugs and created a hot chocolate craft. Kids will make ornaments and greeting cards at two future sessions.
- 4. An OPL holiday tradition continued as the Oshkosh Youth Choir brought seasonal music to the library this year with two concerts featuring singers from kindergarten through high school. The Dome was aglow the evening of Dec. 5 when middle and high school choirs performed a Candlelight Concert for more than 70 people. On Dec. 5 another 30 people were charmed and delighted as the youngest members of the group performed favorite carols and wintry tunes, inviting the audience to join the merriment and sing along.
- 5. OPL pitched in to address community needs this season, collecting winter wear and books to add warmth and happy memories to the lives of Oshkosh residents. Our annual Give the Gift of Reading collection took on special significance when it was learned that the local Toys for Tots group would not be receiving books and toys from its parent organization. In response, the library teamed up with Caramel Crisp and Altrusa to collect books, which caught the attention of a local

donor. Larry Lang, a former UW Oshkosh professor, read an article about the book collection and was moved to donate \$4,000 to the cause. OPL's Collection Development Librarian Margie Dorn, with the help of Youth Services staff, identified titles for kids of all ages and an order was placed. In less than two weeks nearly 500 books were purchased and delivered for distribution by the Salvation Army. Additional books and toys donated by generous patrons will help to make it a magical holiday for numerous area families.

Patrons also brought in hats, mittens and scarves for the library's Mitten Tree. Those in need could take items from the tree as needed, with the rest donated to the Salvation Army.

6. OPL's Community Engagement services are benefiting a local company looking to boost professional development resources available to its staff. Community Engagement Librarian Sandra Toland visits both locations of 4Imprint each month, helping staff there to connect with all that the library has to offer. When asked to compile a list of resources that aligned with the company's core values, she came through with a list of print and digital titles. She also provided a link to the library's online library card application and the library's Gale Courses focused on topics such as leadership, communication and management. Building relationships through community engagement can be the secret sauce to effectively matching people (and organizations) to the resources they need.

### **MEMORANDUM**

TO: Darryl Eschete, Director

FROM: Tracie Schlaak

DATE: December 10, 2025

SUBJECT: Personnel Changes since last board meeting

There were no personnel changes since last board meeting.

### **Library Director's Report**

### November-December 2025

Since the regular Board meeting of November 20, 2025, library staff and I have been at work on the following:

- Public Library Standards Steering Committee— On November 24, I spent the day at the Baraboo Public Library with librarians and library professionals from the Department of Public Instruction and from around the state at the first meeting of an estimated 9-month project to review and, if needed, update public library standards for Wisconsin. I am on the "Governance and Library Administration" working group. More meetings will follow.
- Rotary Incoming President—I have been nominated as the incoming president of Oshkosh Rotary for 2027. If elected with other slated officers, I will serve in a learning/support capacity in 2026 and then as club president in 2027.
- Rotary Presentation— On December 8, I presented to Oshkosh Rotary on the strategic plan, highlighting the strategic directions called for and highlighting ways community partners like Rotary can help us achieve our strategic goals and vice versa.
- America250 Community Conversation Grant—On December 9, I met with representatives of the Oshkosh Public Museum and UWO history department. The Museum and Library are co-writing a grant to Wisconsin PBS for a series of "community conversation" programs related to the recent Ken Burns' "American Revolution" series.
- Tree Care Program Series—On December 9, I also met with City of Oshkosh Urban Forester Travis Derks to discuss a series of tree and tree care-related programs in 2026, starting with a program the week of Arbor Day (April 17).
- Toys for Tots—The library has been a drop-off point for Toys for Tots in 2025 and on December 10, Trina Woldt of the Chamber, Dr. Sam Coleman of OASD and I dropped off books and toys donated both to both the Chamber and the library. Lisa Voss will also be bringing donated materials to the Salvation Army the week of this writing (week of 12/8).
- Oshkosh West/Reindeer on the Square—As of this writing, barring any unforeseen weather or other circumstances, I will be standing in for Santa Claus at Oshkosh West High School's Key Club book giveaway the morning of Saturday, December 13.

That afternoon, I will be filling in for Santa at the Reindeer on the Square event for the second year.

- Polling Site 2026—On December 11, I confirmed with Darla Salina (new City Clerk) and Sandy Toland (Community Engagement Librarian) that Oshkosh Public Library will be a polling site for all elections in 2026.
- Engberg-Anderson Meeting—As of this writing, I am scheduled to meet with representatives of Engberg-Anderson architects regarding the creation of a masterplan related to the space needs analysis done in 2021-22 and for which endowment funds are requested elsewhere in this packet.
- JobPod Ribbon Cutting Planning—Library Development has been working with Head of Adult Services Joe Bongers and I to plan a ribbon cutting event the morning of January 9. We have gotten a support commitment for the event from the Oshkosh Chamber.

I refer the Board to highlights and other memos for further information.

Respectfully Submitted,

Darryl Eschete
